

NOTICE: Arizona Association of Health Plans (AzAHP) Update

August 30, 2021

Dear Provider,

The AHCCCS Credentialing Alliance has made enhancements to the AzAHP forms for 2021. The AzAHP form in addition to a current CAQH is required for all initial credentialing.

The newest version of the forms will help ensure those providers requiring temporary credentialing are processed in a timely manner.

The credentialing team will begin using the 2021 revision of the form on August 4, 2021. Previous versions of this form will not be accepted after October 31, 2021.

Important

A delay in processing of your credentialing application may occur if older versions of the AzAHP are used.

- The most current version may be found on our website at: <https://www.healthchoiceaz.com/providers/forms/> under "Request for Participation".
 - A delay in processing will occur if your CAQH application is not currently attested, information is omitted and/or if disclosure questions are answered erroneously.

If you have any questions, please reach out to your Network Service Provider Performance Representative.
