

# **NOTICE:** Health Choice Arizona Celebrates & Honors Pride Month

HAPPY PRIDE! Gay pride or LGBTQ pride is a promotion of the self-affirmation, dignity, equality, and increased visibility of the Lesbian, Gay, Bisexual, Transgender, and Queer/Questioning (LGBTQ) people. LGBTQ Pride Month occurs in the United States to commemorate the Stonewall riots, which occurred at the end of June 1969. As a result, many pride events are held during this month to recognize the impact LGBTQ people have had in the world.

JOIN US! We are excited to be able to present a series of LGBTQ2S presentations during the month of June. See the listing below of Presentation information and registration links. The goal is to learn about LGBTQ2S Culture, Community, Physical Health and Mental Health Issues, Suicide, Veteran LGBTQ, and most of all to reduce stigma and raise awareness.

Each session includes certification of completion and total hours to be used for CEUs.
