

NOTICE: Online Training Resources Available for Providers and Staff

June 22, 2022

Dear provider,

Health Choice has developed a new interactive training course for providers and their staff, called “End of Life Care” with content on Advance Directives, Advance Care Planning, Hospice, and Palliative Care.

- Purpose: Understand the purpose and types of end-of-life care, advance directives, and provider requirements around end-of-life care.
- The training can be used to meet AHCCCS and Health Choice provider requirements to train staff of Advance Directives and End of Life Care.

How to Access *End of Life Care* training module:
