

AHCCCS NOTICE:

Provider Disenrollment Period Announced

November 4, 2022

Dear provider,

In April 2022, AHCCCS reinstated provider enrollment requirements that had been suspended during the COVID-19 public health emergency. Beginning in October, AHCCCS will start a 10-month process of disenrolling providers who have not complied with multiple re-registration requests.

Any provider who has not completed the revalidation process in the AHCCCS Provider Enrollment Portal will receive written notification to submit an application. Providers who do not respond will receive written notification of pending disenrollment and appeal rights.

To avoid termination and/or loss of billing privileges, providers must respond and take action, following specific actions outlined in the letter, within the noted time frames. Failure to complete these actions result in disenrollment and claim denials.

What AHCCCS Providers Need to Know:

- Providers who need to complete the revalidation process or meet additional screening requirements will be notified in writing through United States Postal Service mail.
- AHCCCS will review the submitted application and issue a written notice upon completion.
- Providers that have an expired license will be notified in writing to submit the current license or certification.
- Providers who fail to respond to the request could experience delays such as termination and/or loss of billing privileges.

Providers with questions, those who are no longer participating as a Medicaid provider, and those no longer employed with an organization, are asked to contact APEPTrainingQuestions@azahcccs.gov.
