

REMINDER: Nurse Practitioner Board Certificate

Dear Provider,

Health Choice Arizona and Health Choice Pathway requires verification of board certification, when applicable, for all Nurse Practitioners to finalize credentialing.

Aperture conducts credentialing on behalf of Health Choice and is unable to verify certification if it is not listed within the Specialties section of your CAQH application.

Failure to include specialty board certification information will cause delays in processing and may result in cancellation of your application to participate.

Your application is not considered complete until the Specialties section of the CAQH has been completed.

To make changes to your specialty or board certification:

- Log in to your CAQH
- Access the Specialties section
- Select the NUCC Grouping *Nursing Service Providers* and follow prompts to input board certification and/or specialty information

Thank you for your continued commitment to serving our members and ensuring the provision of quality care and services.
