

NOTICE: Training Resources Available for Providers and Staff

January 25, 2022

Dear provider,

Health Choice has developed a new interactive training course for providers and their staff, called “Collaborative Communication Regarding COVID-19 Vaccines.”

- Purpose: Strengthen skill in talking to patients about vaccines in a nonjudgmental, collaborative manner to support the clinical relationship and patient health outcomes.
- The training is evidence-based using Motivational Interviewing skills and principles.
- It was developed in collaboration with Arizona providers.
- It takes less than 10 minutes to complete.

How to Access *Collaborative Communication Regarding COVID-19 Vaccines* training module:
