Section 1 – Introduction

This directory provides a list of Health Choice Pathway network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC).

You will have to choose one of our network providers listed in this directory to be your **P**rimary **C**are **P**rovider (PCP). Generally, you must get your health care services from your PCP. Your PCP will be involved in the overall management of your health, including routine checkups. This practitioner will be your main point of contact for much of your healthcare. Your PCP is often involved in your care for a long time, so it is important to select someone with whom you're comfortable.

The network providers listed in this directory have agreed to provide you with your health care/vision/dental services. You may go to any of our network providers listed in this directory; however, some services may require a prior authorization. Other providers are available in our network.

Emergency care can always be obtained in or out of the service area from the nearest available provider. When you receive emergency or urgently needed care from a provider who is not a part of our network, you are only responsible for paying for your share of the cost, not the entire cost. You should ask the provider to bill the plan for our share of the cost, not the entire cost. If you have received a bill from a non-contracted provider, send us the bill and any documentation of any payment that you have made. It is also a good idea to make a copy of your bill and receipts for your records.

You must use network providers except in emergency or urgent-care situations or for out-of-area renal dialysis or other services. If you obtain routine care from out-of-network providers, neither Medicare nor Health Choice Pathway will be responsible for the costs.

What is the service area for Health Choice Pathway?

The counties in our service area are listed below.

Apache, Coconino, Gila, Maricopa, Mohave, Navajo, Pinal, and Yavapai.

How do you find Health Choice Pathway providers that serve your area?

To find a provider near you, please use the "Provider Search Tool" located on our Health Choice Pathway website **www.HealthChoicePathway.com.**

In this directory, our network providers are organized by County, Provider Type, and alphabetically by Specialty Type, City, and Provider Name. For example, to find a Primary Care Provider in the city of Phoenix, turn to the "Maricopa" section, locate the "Primary Care Providers (by Specialty)" subsection of the directory, find the PCP specialty type you want (e.g., Family Practice, Internal Medicine), and look for "Phoenix." To find a specialist, turn to the "Specialists (by Specialty)" subsection within the County of your choice, and look for the

specialty type you need (e.g., Dermatology, Neurology). Hospitals and other facilities are listed by facility type.

If you have questions about Health Choice Pathway, please call our Member Services Department at **1-800-656-8991,** 8 a.m. to 8 p.m., 7 days a week; TTY users should call **711.** You can also visit **www.HealthChoicePathway.com.**

Sección 1 – Introducción

Este directorio proporciona una lista de los proveedores de la red de Health Choice Pathway. Para obtener información detallada sobre su cobertura de atención médica, consulte su Evidencia de cobertura (EOC, por sus siglas en inglés).

Deberá elegir uno de los proveedores de nuestra red incluidos en este directorio para que sea su proveedor de atención primaria (**PCP**, por sus siglas en inglés). Por lo general, debe recibir los servicios de atención médica de su PCP. Su PCP participará en la administración general de su salud, incluidos los controles de rutina. Este profesional será su principal punto de contacto para gran parte de su atención médica. A menudo, su PCP participa en su atención durante mucho tiempo, por lo que es importante seleccionar a alguien con quien usted se sienta cómodo.

Los proveedores de la red incluidos en este directorio han aceptado brindarle servicios de atención médica, de la vista o dentales. Si bien usted puede acudir a cualquiera de los proveedores de nuestra red incluidos en este directorio, es posible que algunos servicios requieran autorización previa. Otros proveedores están disponibles en nuestra red.

Cuando se trate de atención de emergencia, siempre puede recibirla dentro o fuera del área de servicio del proveedor disponible más cercano. Cuando recibe atención de emergencia o de urgencia de un proveedor que no forma parte de nuestra red, usted solo es responsable de pagar la parte que le corresponde del costo compartido, no el costo total. Debe pedirle al proveedor que facture al plan nuestra parte del costo compartido, no el costo total. Si ha recibido una factura de un proveedor no contratado, envíenos la factura y la documentación de todos los pagos que haya realizado. También es conveniente que haga una copia de la factura y de los recibos para sus registros.

Debe utilizar los proveedores de la red, excepto en situaciones de emergencia o urgencia o para recibir servicios de diálisis renal fuera de su área u otros servicios. Si recibe atención de rutina de proveedores fuera de la red, ni Medicare ni Health Choice Pathway serán responsables de los costos.

¿Cuál es el área de servicio de Health Choice Pathway?

A continuación, se indican los condados que pertenecen a nuestra área de servicio.

Apache, Coconino, Gila, Maricopa, Mohave, Navajo, Pinal y Yavapai

¿Cómo puede buscar proveedores de Health Choice Pathway que atiendan en su área?

Para encontrar un proveedor cerca de usted, use la Herramienta de búsqueda de proveedores ("Provider Search Tool") que se encuentra en nuestro sitio web de Health Choice Pathway, **www.HealthChoicePathway.com.**

En este directorio, nuestros proveedores de la red están organizados por condado, por tipo de proveedor y en orden alfabético por tipo de especialidad, ciudad y nombre del proveedor. Por ejemplo, para encontrar un proveedor de atención médica primaria en la ciudad de Phoenix,

vaya a la sección “Maricopa”, busque la subsección “Primary Care Providers (by Specialty)” (Proveedores de atención médica primaria [por especialidad]) del directorio, busque el tipo de especialidad del PCP que desee (p. ej., medicina familiar, medicina interna) y busque “Phoenix”. Para encontrar un especialista, busque la subsección “Specialists (by Specialty)” (Especialistas [por especialidad]) dentro del condado que elija, y busque el tipo de especialidad que necesite (p. ej., dermatología, neurología). Los hospitales y otros centros se indican por tipo de centro.

Si tiene preguntas sobre Health Choice Pathway, llame a nuestro Departamento de Servicios para Miembros al **1-800-656-8991,** de 8 a. m. a 8 p. m., los 7 días de la semana. Los usuarios de TTY deben llamar al **711.** También puede visitar **www.HealthChoicePathway.com.**
